The Newsletter of the *Manned Space Center Radio Control Club*

WHAT GOES UP ...

Greetings fellow fliers. We've had another good month of flying weather. I hope everyone got a chance to use it. Since I was unable to attend the last club meeting due to a business trip, I don't really have much to say this month. (OK OK stop cheering. It's not polite!) Anyway, I have one new piece of information this month. I wish to say a BIG thank you to the approximately 10 members that brought their aircraft out to Houston Gulf Airport for static and flight demos. I know the crowd enjoyed the show from the number of comments I received. A large number of people were there asking questions and admiring the beautiful aircraft present. Who knows, we may even have some new members out of this. A good time was had by all. I know that Earl Crumb of the Bay Area Aero Club wished to express his thanks to all the club members that participated. To say he was pleased at our turnout would be an understatement. Thanks again everyone! Well that's it for this month. Keep 'em flying.

Mike Goza

**NEXT MEETING
THIS THURSDAY
SEPTEMBER 13th
at 7:30 PM**
in the Clear Lake Park Building

ENTERTAINMENT

Entertainment for September will be on Radios and Frequency problems. The talk will be given by Larry Dungan who is on the AMA Frequency Committee. He promised to try and clear up any myths and give us the facts. Also, with any luck, Al Robles of AL'S Hobbies will be there to answer any questions you might have about your radios. As far as I know, AL'S Hobbies is the only sticker station in the area. This promises to be interesting **SO BE THERE!!!**

Larry Dungan asked me if any one had a copy of July's Scale RC Modeler. So if any of you have one I would appreciate it if you would bring it to the meeting.

repeated on page 3!*

MINUTES FOR THE AUGUST MSC/RCC MEETING

Aug,9,1990 The meeting was called to order at 7:42 by V.P.Preston Hunt

Old Business

It was Brought to the clubs attention that the M.S.C./R.C.C. had been asked to participate in the air show at the Houston Gulf Airport in League City on August 25 . Preston asked for volunteers to bring their planes and fly in some demonstrations or show them as static. Volunteers where asked to get in touch with Mike Goza as soon as he was back in town early next week.

New Business

Ivan Bonebrake asked if the drawing for attendance awards would be held at Louie's on the Lake this year because we be having our party there. He also stated the winners should not have to be present because of the limited tickets that would be sold.

A motion was brought to the floor that the drawing would be held at Louie's and the winners need not be present and would be published in the January news letter. The motion was seconded and passed.

It was discused that since we were having the party at Louie's on the 8th of December that we would not have the meeting on the 13th of December. A motion was made not to have the December meeting at the Clear Lake Park Building on the 13th. The motion was seconded and passed.

It was asked if we would have an auction this year and if so would it be in October or November? We will have to see what Craig Yorks schedule is this year. David Dale volunteered to run the auction if Craig could not do it.

Refreshment Volunteer for September: Ray Randall

Treasurer's Report

Start: \$3585.00
Income: \$288.00
Out: \$1034.00
Balance:\$2839.00

Model of the Month

Jerry Hijek - 1/5 scale Cap 21.

I did not have a trophy with me due to Mike's absence so the club owes Jerry his.

I would also like to thank Jim Brock for Volunteering to sit in as secretary for Sharon Goza in her absense.
