November 2006

Next Meeting – Swap Shop November 9, 2006, Clear Lake Park Building – 7:00 PM

October meeting minutes

Minutes of the October meeting are not available and there were no Model of the Month entries.

Election of Officers

The nominees presented by the nominating committee were elected by acclamation. The officers for 2007 are:

President: Mike Laible
Vice President: Phil Elting
Secretary: Mike Goza
Treasurer: David Hoffman

A big **THANK YOU** is due to the departing officers Herman Burton and James Lemon for their outstanding work and support of the club.

In The Pits

By Michael Laible, President

Let me start by saying I am excited to be President of JSCRCC club. This will be a repeat performance and I hope to do as good or better than last time. Let's give a big "that-a-boy" to Herman and James. They did a great job for the last two years. I am sure I will see them around and hopefully I can talk James into continuing the "Fun Fly" committee (Hint). I hope to continue the dialog with JSC that Herman has started.

The history and people of this club are unique and make it a joy to be President of such a club. I remember sitting with the late John Kiker and getting his write up and pics of times past. It was an interesting conversation and the results can be seen on our web page under the history section. I hope some other members can dig up some old photos and stories to share with the club. Just give me a call and we can make arrangements to expand the club history page. Speaking of that, I remember giving all the paper copies of our newsletter and can't remember who!! Can someone help?

As I mentioned at the meeting, my goals are going to be - continue field improvements, get the JSCRC.org domain name back, work with Ron on the webpage, and have a series of videos throughout the year for entertainment, and keep business meetings to a minimum.

Don't forget about the Swap Shop this month and the Christmas Party in December. I will have crasher 4 video for entertainment at the Christmas party (if someone else has a crasher video to loan, please call me at 281-474-1255).

Till next time,
Mike

NATS Photos

By Michael Laible

I thought I would include some photos of my trip to the NATS. It was an interesting time and I now have the competition bug,

A Corsair with the wings folded and latched.

Dennis Crooks P-38 with counter rotating engines

And myself weighing the Moraine Saulnier. I believed it weighed in at 20lbs.

A gaggle of WWI planes. All these planes are 1/3 scale. Hummm, the Moraine looks small.

Club Records

By: Charlie Teixeira, Editor

The topic of establishing various performance records at the club level was discussed at the last meeting and there appears to be sufficient interest to pursue the initiative. The Resolution and set of rules drafted by Ken White will be the basis for

further discussion at the next business meeting (January). The proposed rules, events and Resolution can be found in the October newsletter and will be presented again in the newsletter prior to the January meeting.
