Christmas Party December 9, 2004, Clear Lake Park Building – 7:00 PM

November 2004 Meeting Minutes

The November meeting was dedicated to the club's first swap meet and no official club business was undertaken.

The swap meet was very successful with a good turn out.

Do you think we should continue with a swap meet instead of the auctions we used to have, maybe a combination swap meet and auction? Let the club officers know your preferences at the January meeting.

Speaking of the January meeting, that would be a good time to discuss club goals for the coming year. Come and let your thoughts be known and aired out. Remember, *IT IS YOUR CLUB!*

Club's Christmas Party

Members and guests are invited to the club's annual Christmas party starting at 7:00PM on December 9th. The attached flyer provides more details as to what the club will provide and what members are being asked to bring.

As part of the party, judging will take place for Model of the Year so all you Model of the Month (MOM) winners this year are reminded to bring their Model of the Month winning airplanes to compete for Model of the Year. Rules are provided on the attached party flyer.

CHRISTMAS PARTY HONORED GUEST

By: Herman Burton

Lt. Colonel Richard (Dick) Schiebel will be the guest of honor at the Johnson Space Center R/C Club's annual Christmas Party. He flew F-51 Mustangs in Korea in the early days of that war, and successfully completed 100 combat missions. A series of short stories, based on his letters written during the combat missions, was published in our newsletter this year.

We are proud to have Lt. Col. Schiebel as our guest.

Membership Renewal Time!

If you haven't received your renewal packet or haven't renewed as you are reading this-- **renew your JSCRCC club membership NOW**. A form is enclosed with this newsletter in case you didn't receive the form in the mail or misplaced it.

Anyone who does not renew by the middle of December will not be included on the membership list Hoffman will supply to NASA security.

If you are not on the list--you will not be able to fly in January until the list is updated with NASA Security-- which can take from one to four weeks after you renew.

New membership cards are in the process of being printed. **Only new 2005 cards will be recognized by security beginning 1-1-05.** There will **NOT** be the overlap of cards that we had in past years. Also make sure you take care of your AMA dues. If you renew your AMA membership on your own, remember to include a copy of your membership card along with your club renewal.

All renewal forms should be mailed to Dave Hoffman, 412 W. Pasadena Blvd, Deer Park TX, 77536-4864.
